Consideration

The total consideration for the proposed transaction under the ETA(2) of RMB1,281,032,600 was determined by the Company and BEIH following arm's length negotiations by reference to, inter alia, the appraised value of the 100% equity interests in Sichuan Dachuan of

RMB1,281,032,600 as at 30 September 2012, being the reference date. Such appraisal was prepared by China Assets Appraisal based on the income approach. The Company will use its internal funds to pay the consideration.

The consideration paid by BEIH for the purchase of the 100% equity interests in Sichuan Dachuan was RMB1,477,540,581.15. After the completion of the acquisition of 100% equity interests in Sichuan Dachuan by BEIH and as approved by the meeting of the board of directors and shareholders' meeting of Sichuan Dachuan, in August 2012, Sichuan Dachuan reduced its registered and paid-in capital by RMB250,000,000 by way of cash, and increased its registered and paid-in capital by RMB5,124,000 through the transfer of the surplus reserves. Upon completion of the above, the registered and paid-in capital of Sichuan Dachuan was RMB130,000,000.

The payment will be made in cash in two instalments. The first instalment of RMB640,516,300 will be made within 30 business days after obtaining the approval from the Beijing SASAC and the remaining RMB640,516,300 will be made within 30 business days after the completion of the amendment filings with the competent industry and commerce authorities.

The ETA (2) is conditional upon, among others, the following being fulfilled:

- (1) the acquisition under the ETA(2) being approved by relevant competent authorities in the PRC; and
- (2) the acquisition under the ETA(2) being approved by the Independent Shareholders.

▶ plet

The acquisition will be completed on the date when the equity interests acquired are registered under the name of the Company and the amendment filings with the competent industry and commerce authorities are completed.

t er Maj r Ter

The Company shall be entitled to the operating profit or loss incurred by the 100% equity interests in Sichuan Dachuan to be acquired from BEIH from the reference date of 30 September 2012 to the completion date of the transaction under the ETA(2). The Company and BEIH will be liable for their respective fees in relation to the transfer.
